

DG's Message

Dear Lion friends,

Lions, regardless of which part of the world we come from, always strive to fulfill the needs of both those locally situated as well as other parts of the world. The advantage of having a world-wide network of Lions is that we have both access to vast material as well as human resources and it is a well known fact that we, Lions, have been able to accomplish so much due to the combined partnership of all these resources available both locally and internationally.

The international slogan for the year 2023-24 is "**Changing the World**" and I am sure that with the philanthropic activities that we have planned for this year, we can easily achieve that.

I am honored to be elected to lead Lions District 318D as its District Governor during the lionistic year 2023-24. A leader alone cannot achieve everything and that is why I consider myself to be fortunate to be backed by a team of talented, self motivated, selfless and hardworking Lions.

My slogan for this year is "**Made to Aid**". We, Lions, in true spirit, are here to extend our hands to the needy whenever it is required and wherever it is required.

It was my earnest desire to release the Mini Directory on the day of the District Convention itself. I would like to thank all the Lions especially the District Editor, Lion P.M Muralidharan MJF and the Editorial Board who helped in fulfilling this desire of mine.

I request the whole hearted support of all the Lion members so that we may have a smooth sailing year.

"United we stand, Divided we fall"

With lionistic regards,
Lion Tony Enokkaran PMJF
District Governor 318D
2023-24
