

With pride and privilege, we, the President and members of Lions Club of Trichur North have immense pleasure in presenting our most dynamic and vibrant leader Lion PMJF TONY ENOKARAN to the prestigious office of the District Governor of Lions District 318D, for the Lionistic year 2023 – 2024, after successfully completing his tenure as 1st Vice District Governor this year. Our club was chartered in the year 1995 and is in its 27th year of uninterrupted service. The club, sponsored by Lions Club of Trichur South, now stands amongst the best and most vibrant clubs in District 318D with 45 active members. The club has been able to extend its sponsorship to Lions club of Aranattukara thereby strengthening our organization. The club could produce many eminent Lion leaders who have bagged almost all the covetable awards instated by the District and Multiple District, in addition to several Laurels and Recognitions From Lions Club International.

Lion Tony Enokaran is a man of firm resolve – determined to succeed – in all his endeavors. The will power he showed in rising above the miseries and hardships of his younger age and in growing from a small scale business man to a n-business magnate with a distribution network across India is noteworthy. This amazing growth was and dedication. Lions of our District witnessed his sterling performance as a District Chairperson during the year 2008 – 2009, when he had organized a Mega Medical Camp at Pallapilly Estate premises for the tribal inmates of Chimini forest area and estate workers. Precisely 2857 patients in 8 different medical streams had availed themselves of consultation and taken treatment. As Zone Chairperson during the year 2011 – 2012, apart from his duties as Zone Chairperson, he voluntarily took up the challenge of implementing a waste Management Project for the entire Thrissur Municipal Corporation. This resulted in his winning the Prestigious “LIFE OF THE YEAR” award as well the International President’s Recognition Medal. As Region Chairperson, apart from the duties of Region Chairperson, considering the workaholic capacity shown by him, the then District Governor entrusted him the District Governor’s prime project, “LIFE LINE”. He excelled in this venture by building a team that worked throughout the district completing 117 heart surgeries for poor heart patients, with high degree of transparency. This brought him accolades from Lion dignitaries including International Director Lion Sangeetha Jatia as well as from a cross section of society. If Divinity presuppose Charity or if Charity in a way could be counted on par with Divinity, one could say that there is something of a divine presence in the person of Lion TONY ENOKARAN for whom each member of District 318D has now extensive praise and appreciation on their tongues and heart.

District 318D planned to somehow implement and complement the efforts of the State Government in alleviating human misery by positively co-operating in the pandemic prevention measures initiated by the State. There was however a marked absence of clarity as regards to the details of what was on the anvil. However, the then District Governor, Ln. Er. Saju Antony Pathadan PMJF was quite confident that once Lion TONY ENOKARAN undertakes to do something, he would definitely do the job without any bungle, inspite of its being a maiden venture with no antecedents to go by. With tranquil and steady dedication, Lion TONY took up the project completely, utilizing his energy, imagination and a pretty penny in the bargain, translating his charitable dreams into palpable reality, not allowing the project to ever hang fire. In short, as many as 280 pedal operated sanitizer dispensing machines were installed with 5 liters of sanitizer. All of these were through various individual clubs that required the service, at various locations and were done totally Free of Cost to such clubs. No sensation hungry media were ever solicited by Lion TONY ENOKARAN to publicize this noble endeavor. Even while performing such feats of charity, Lion TONY ENOKARAN was as unassuming as usual. Lions District 318D is singularly honoured by the presence of such a

humanitarian as Lion TONY ENOKARAN, in whom the virtue of humanity has assumed unbelievable sublime dimensions. Let's together congratulate him and make ourselves honoured. His simplicity, humbleness, commendable service background and selfless service within and outside Lionism made him find acceptability among a majority of the lion in our District. This inspiring, ever smiling and self motivated lion has proved to be a seasoned leader to head our District. His veritable and successful track record, both in his business as well as his Lionistic career influenced many hearts of our Lions district and rewarded him with a remarkable record victory to chair the office of the 2nd Vice District Governor. As the 2nd Vice District Governor, he had been a backbone to the DG team to accomplish the service activities as well as to improve membership growth.

We whole heartedly stand with him to propose his name for the post of District Governor with one accord. We earnestly appeal to all to extend your support and co-operation by casting your positive votes to elevate him to the post of District Governor for Lionistic year 2023 – 2024

With Warm Regards, Yours in Lionsim, for
LIONS CLUB OF TRICHUR NORTH
